Student Name: no

Exam Title: nope

Date: 2024-12-01

**Total Marks Awarded: 12.0 out of 15**

# Grading Report

## Question 1: Question 1: What is C++?

Student's Answer:

Answer: The main discussion in this image is about the programming language C++.

*Correct Answer:*

*Answer: C++ is a powerful and popular programming language that allows developers to create efficient and robust software applications.*

Marks Awarded: 4.5 out of 5

**Feedback: Good attempt, but there are some errors.**

## Question 2: Question 2: What is C++ an extension of?

Student's Answer:

Answer: The topics discussed include:

- \* The power and popularity of C++
- \* The use of C++ in various domains such as game development, embedded systems, and scientific computing
- \* The features of C++ that make it suitable for a wide range of applications
- \* The versatility and extensive libraries of C++
- \* The suitability of C++ for both beginners and experienced programmers

*Correct Answer:*

*Answer: C++ is an extension of the C programming language, adding features that support object-oriented programming (OOP) and offer advanced programming paradigms.*

Marks Awarded: 3.0 out of 5

**Feedback: Needs improvement. Please review the material.**
