Question 1: Q1. How did the invisible man first become visible?

Student's Answer:

The invisible man was roaming unnoticed till the two boys saw the footprints of Griffin. But he escaped when his footprints disappeared from the scene later, due to extreme cold. Now he forced himself to be visible after entering into a store. There, he wore the clothes and slept. In the morning, he became late to get up and the workers noticed his presence because he was visible due to the dress that he wore.
